County Surveyor Adams was in town yesterday, looking rather peaked and discouraged, but still able to look W. H. Blunk in the face and feel respectable.

Roy Powell gave a leap year party to his young friends Wednesday evening of last week at the parental J. W. Powell home on Douglas street. A pleasant time is reported.

Commissioner Awbery, mother and sister, moved yesterday from the lower rooms in the Masonic building, corner of Lincoln and Benton street, into a suite of rooms in the B. B. Price building, corner of Jefferson and Benton.

Mr. and Mrs. W. S. Coates have shipped their household goods and will depart this morning for Augusta, this state. They made many friends during their sojourn in Forsyth, all of whom regret to see them go. May prosperity and happiness follow and abide with them.

A musical recital will be given this evening at the residence of Mrs. Etta Boswell by the pupils of Mrs. D. F. McConkey. The small admittance fee of 10 cents will be charged, the same to go to the benevolent fund of the M. E. church. The program is to begin at 7:30. Everybody invited.

J. A. Tolerton, recently appointed postmaster of Forsyth, is receiving all kinds of congratulations from his stalwart Republican friends. If "to the victors belong the spoils," which is generally accepted Democratic doctrine, our friends of the opposition must generally appreciate the fitness of the appointment, for few in this section have worked harder for the triumph of Republicanism. Jesse is an all round hustler, and an energetic administration can be depended upon without partiality toward any patron of the office.

J. A. Tolerton has purchased the Boswell lots including the Haworth store building on the south side of the square, for a consideration of \$1000. Mr. Tolerton will renovate and paper the store building and fit it up in good shape, to be occupied by the postoffice. It will give the office a central location and should be very satisfactory.

J. A. Weatherman has sold a 40-acre tract of land near Reed Springs to Arthur E. Howell, of Rice county, Kansas, S. G. Wood negotiating the deal. It is Mr. Powell's intention to build on the place and put it in fruit, for which the new railroad will afford a convenient market.

S. D. Renker and family who have been at Marionville for sometime past, are returning to good old Taney, and will reside near Cedar Creek.

It is reported that B. B. Price and Ira Parrish have purchased the Jared Haworth stock of merchandise.

A. J. Thomas, of Kiscoe Mills, was on our streets yesterday.

What's in a Name?

Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co. of Chicago discovered some years ago how to make a salve from Witch Hazel that is a specific for piles. For blind, bleeding, itching and protruding piles, eczema, cuts, burns, bruises and all skin diseases DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. Sold by City Drug Store.

A paper is being circulated here and generally signed to raise funds to aid in rebuilding the home of Wiley Alley, of Brown Branch, recently destroyed by fire.

Cured After Suffering Ten Years.

B. F. Hare, Supt. Miami Cycle & Mfg. Co., Middletown, O., suffered for ten years with dyspepsia. He spent hundreds of dollars for medicine and with doctors without receiving any permanent benefit. He says: "One night while feeling exceptionally bad I was about to throw down the evening paper when I saw an item in the paper regarding the merits of Kodol Dyspepsia Cure. I concluded to try it and while I had no faith in it I felt better after the second dose. After using two bottles I am better than I have been in years, and I recommend Kodol Dyspepsia Cure to my friends and acquaintances suffering from stomach trouble." Sold by City Drug Store.

The Democrats of the United States senate have agreed to be bound by the action of two-thirds of the caucuses. It will be hard to get a two-thirds agreement among them on any subject, so they will still be free to do as they like.

A Vest Pocket Doctor.

Never in the way, no trouble to carry, easy to take, pleasant and never failing in results are DeWitt's Little Early Risers. They tonic and strengthen the liver. Sold by City Drug Store.

Last Saturday night Miss Jennie Glenn who stays with Mrs. Capt. Ball, had the misfortune to lose her purse and about \$3.00. She had left it lying on the dresser in her room when she retired, and next morning a window was up and purse and money gone. The thief was probably watching his chance. —Ozark Republican.

The stock in the proposed steamer enterprise has all been placed and the enterprise is now a certainty.

The boat will be 64 feet long, 16 feet beam, and be operated by a double stern paddle-wheel marine engine, first class in every particular. The draft of the boat without load is to be 14 inches.

It is the intention to have the boat in readiness for business by the time the cars reach Branson, and to make daily trips to that place and return.

Camelback Riding.

Lord Kitchener of Khartoum is credited with the best description of camelback riding that is known. The soldier gave this description at a dinner party in London which some Americans attended: "When we asked Lord Kitchener," one of the Americans said, "to tell what it felt like to ride a camel, he twisted his mustache and said: 'You know the game of cup and ball? You have a ball and a cup, and you throw the ball in the air and try to catch it in the cup, then bounce it up and try to catch it again? Well, when you ride a camel, the brute plays cup and ball with you missing your nearly every time.'" —Kansas City Journal.

Envelopes printed while you wait. On Saturdays only, you can secure a bunch (25) of XX No. 6 white envelopes at the Republican office, with your name and address neatly printed thereon, for 10 cents, the price of the envelopes alone. Remember, on Saturdays only. Mail orders 4 cents extra.

Rain, lightning and thunder all last night, and the rain is still coming, the creeks booming and the river rising.
